

LUSTMORD

T H R E A E S O E T H N S T H T S H U D R E A I N N S E N

Began January 1980 following encouragement and support to do so by members of **Throbbing Gristle** and **SPK**.

Various now legendary live performances conducted in 1980-81 as unofficial / unannounced “support” for various name headline acts. Usually with chaotic and/or violent conclusions (Happy days).

Use of diverse recording sources such as caves, crypts, catacombs, car crashes and cosmological activity.

In the 1980's was a member of **SPK**, one of the most influential groups of the original industrial genre.

From 1985 until 1999 owned and managed the label, **Side Effects** with releases worldwide including **SPK** and **Laibach**.

In the late 1980's consultant for **Mute Records**, assisting in the establishment of their subsidiary label **The Grey Area**. Compiled a four volume CD collection of **Throbbing Gristle** live, and oversaw releases by **Throbbing Gristle**, **SPK** and **Monte Cazazza**.

Freelance Sound Designer from 1993 to present, including numerous credits on film, games and commercials.

Motion picture credits include over forty movies including **The Crow** and **Underworld**, with many number one box office hits.

Music Sound Design for games, including **FarCry Instincts**, **Unreal Tournament III** and **Assassin's Creed**.

Sound Design for Commercials include **Nike**, **Bud Light**, **Universal Studios** and **Gatorade**.

Wrote the music for the **Greg Hale (Blair Witch Project)** series **In Search Of**.

The **Lustmord** album **Heresy** gave birth to the genre known as “Dark Ambient”.

Collaborated and toured with **Clock DVA**.

Created the Music & Sound Design for the first Tech Demo showing the **Playstation 3** capabilities (demo created by **Nvidia**).
